A packet of detailed information will be coming home with students mid-February. It will contain sign up instructions, final trip itinerary, full trip inclusions, travel insurance purchase information (optional but HIGHLY recommended)

Payment and Fundraising

Due to the nature of the trip being so far in advance, we want to give everyone the chance to sign up. *This includes our incoming freshmen for next fall, who are invited to join us.*
The trip will be open to sign up on March 27, 2020.

We have a lot of time to fundraise for this trip. We plan to have both large group and individual fundraising opportunities for students to earn money off their trip as well as assist our entire group.

FINAL COST: We are still in collaboration with the travel company to ensure the most economical price for this trip. We ESTIMATE the trip to cost to be between \$1,500 - \$1,799 per person (this includes the \$110 you will receive back for food). The final price will be included in the detailed packet of information given to students mid-February.
